

The Illinois State Fair Museum Foundation is selling special event license plates for \$25 to support preservation of this historic event. These plates can be displayed on passenger vehicles, B-trucks and antique vehicles for 60-days starting June 25, 2026, through the last day of the Illinois State Fair on Sunday, August 23, 2026. Illinois registrations must be current through the end of the display time, per state statute. You may renew your plate’s sticker/registration early by visiting www.ilsos.gov or a driver’s license facility. Out-of-state plate buyers may purchase sets of *expired* personalized plates that will ship after the event (no registration needed, but a driver’s license number is required).

To order and pay online, simply skip this form and visit <https://forms.gle/XFSgDQVuZohr5pEg7>. Payment may be made via PayPal using @ILStateFairMuseum.
